About us

The PermExpo Exhibition Association is one of the leaders of the exhibition business in Russia, is a member of the Global Association of the Exhibition Industry and of the Russian union of fairs and exhibitions. During 25 years of work, representatives of more than 60 countries participated in the Exhibition Centre's projects, including Germany, Great Britain,

USA, Canada, China, India, and other countries. Annually, the PermExpo welcomes more than 500 000 visitors.

Exhibitions, Congresses, Fairs

Annually, the PermExpo conducts industry exhibitions across 50 areas: oil production, machinery manufacturing, metalworking

production, civil engineering work, power industry, medicine, etc. The PermExpo is a venue for regional and Russia-wide forums (all-Russian forum of national unity, «Islamic world» Interregional forum of Islamic culture, Perm engineering and industrial forum, etc), the participants of which include businesses, public institutions and public authorities.

During 28 years, the PermExpo conducted interregional and international projects in many cities of Russia and abroad.
